Church Is

Christianity isn't just about believing – it is also about belonging.

God never intended you to do this alone.

Church Is

I will commit to the mission of my church

Mission Statement: "To know Jesus and make Him known while living, loving and serving like Him"

I am a church member:

I will strive to grow in my relationship with Jesus, obey the Great Commission Jesus gave in the gospels to share His love with the world, and live in a way that brings glory to God.

Church Is

I will be a functioning member in my church

I am a church member:

I understand from 1 Corinthians 12 that God gave me gifts to be used for His glory. I will serve. I will give financially. I will make church a priority because I am needed.

Church Is

❖ You may not think you need church, but the church needs you

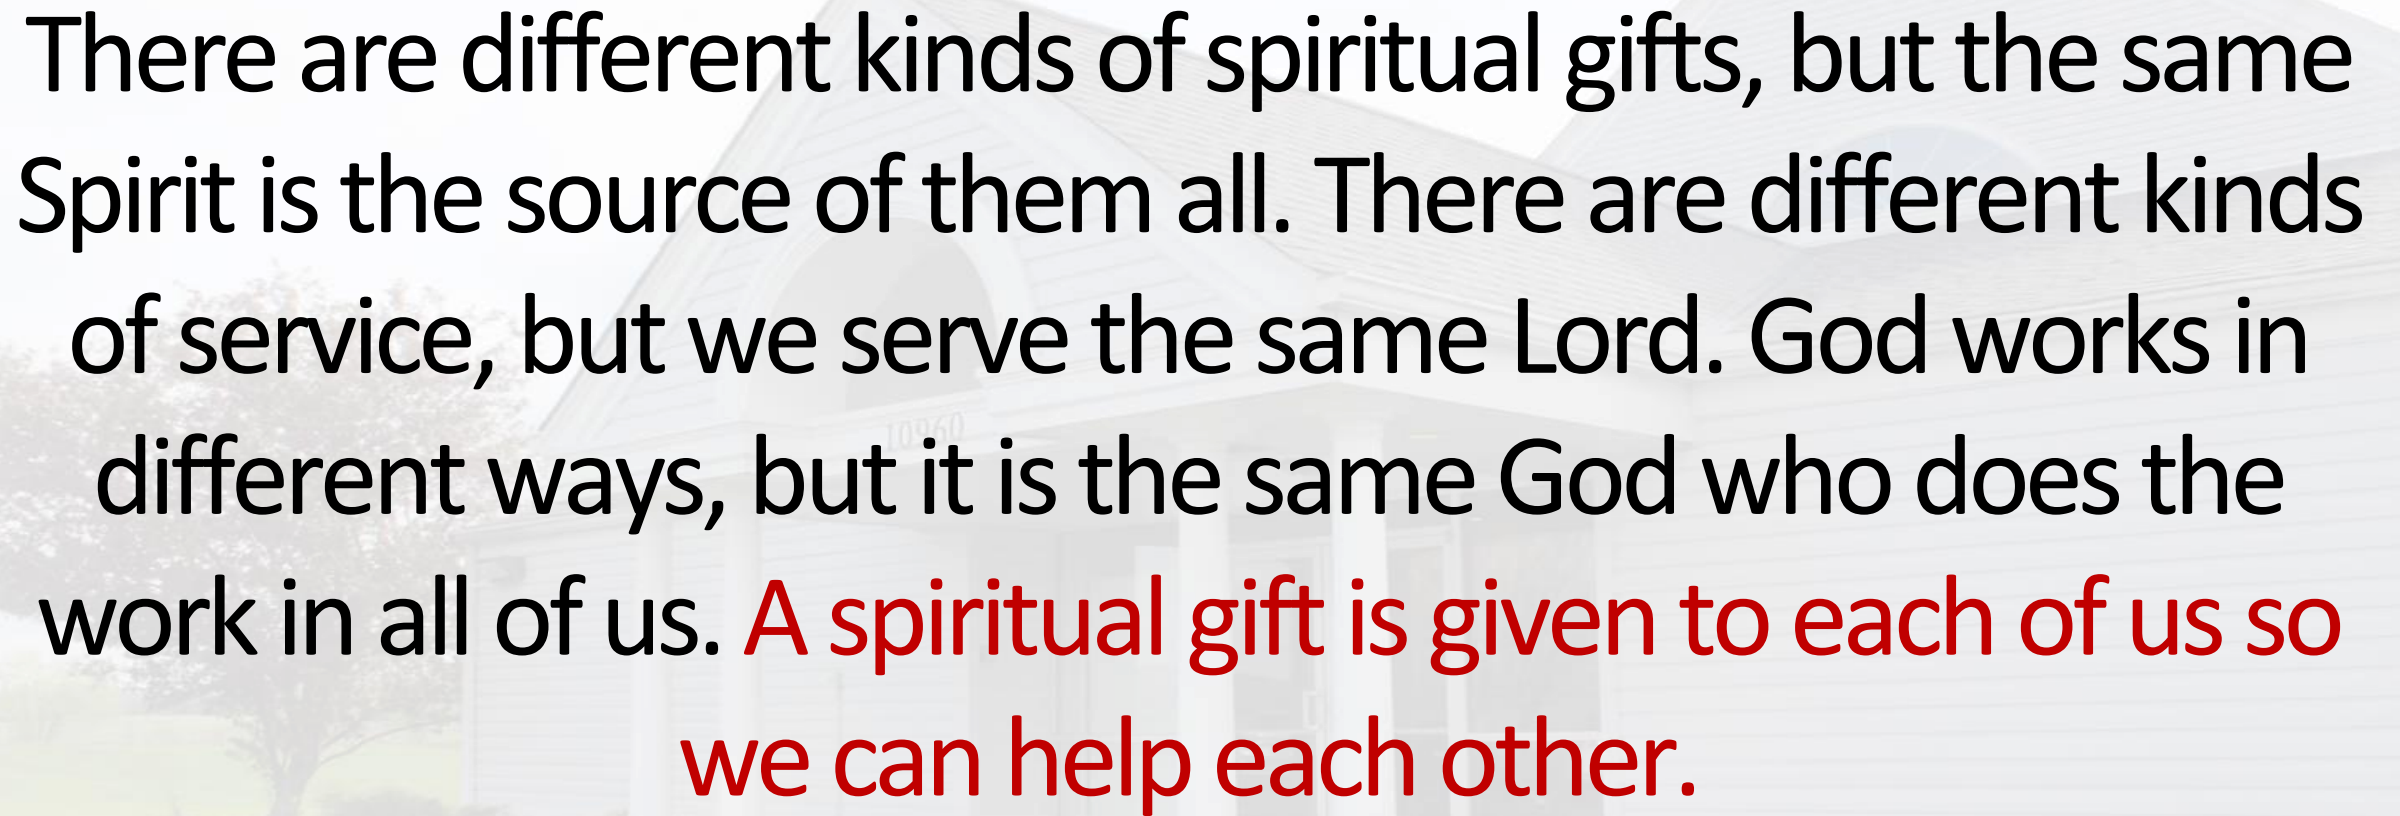

not looking to your own interests but each of you to the
interests of the others.

Do you not know that you are God's temple and that
God's Spirit dwells in you?

Church Is

1 Corinthians 3:16 (ESV)

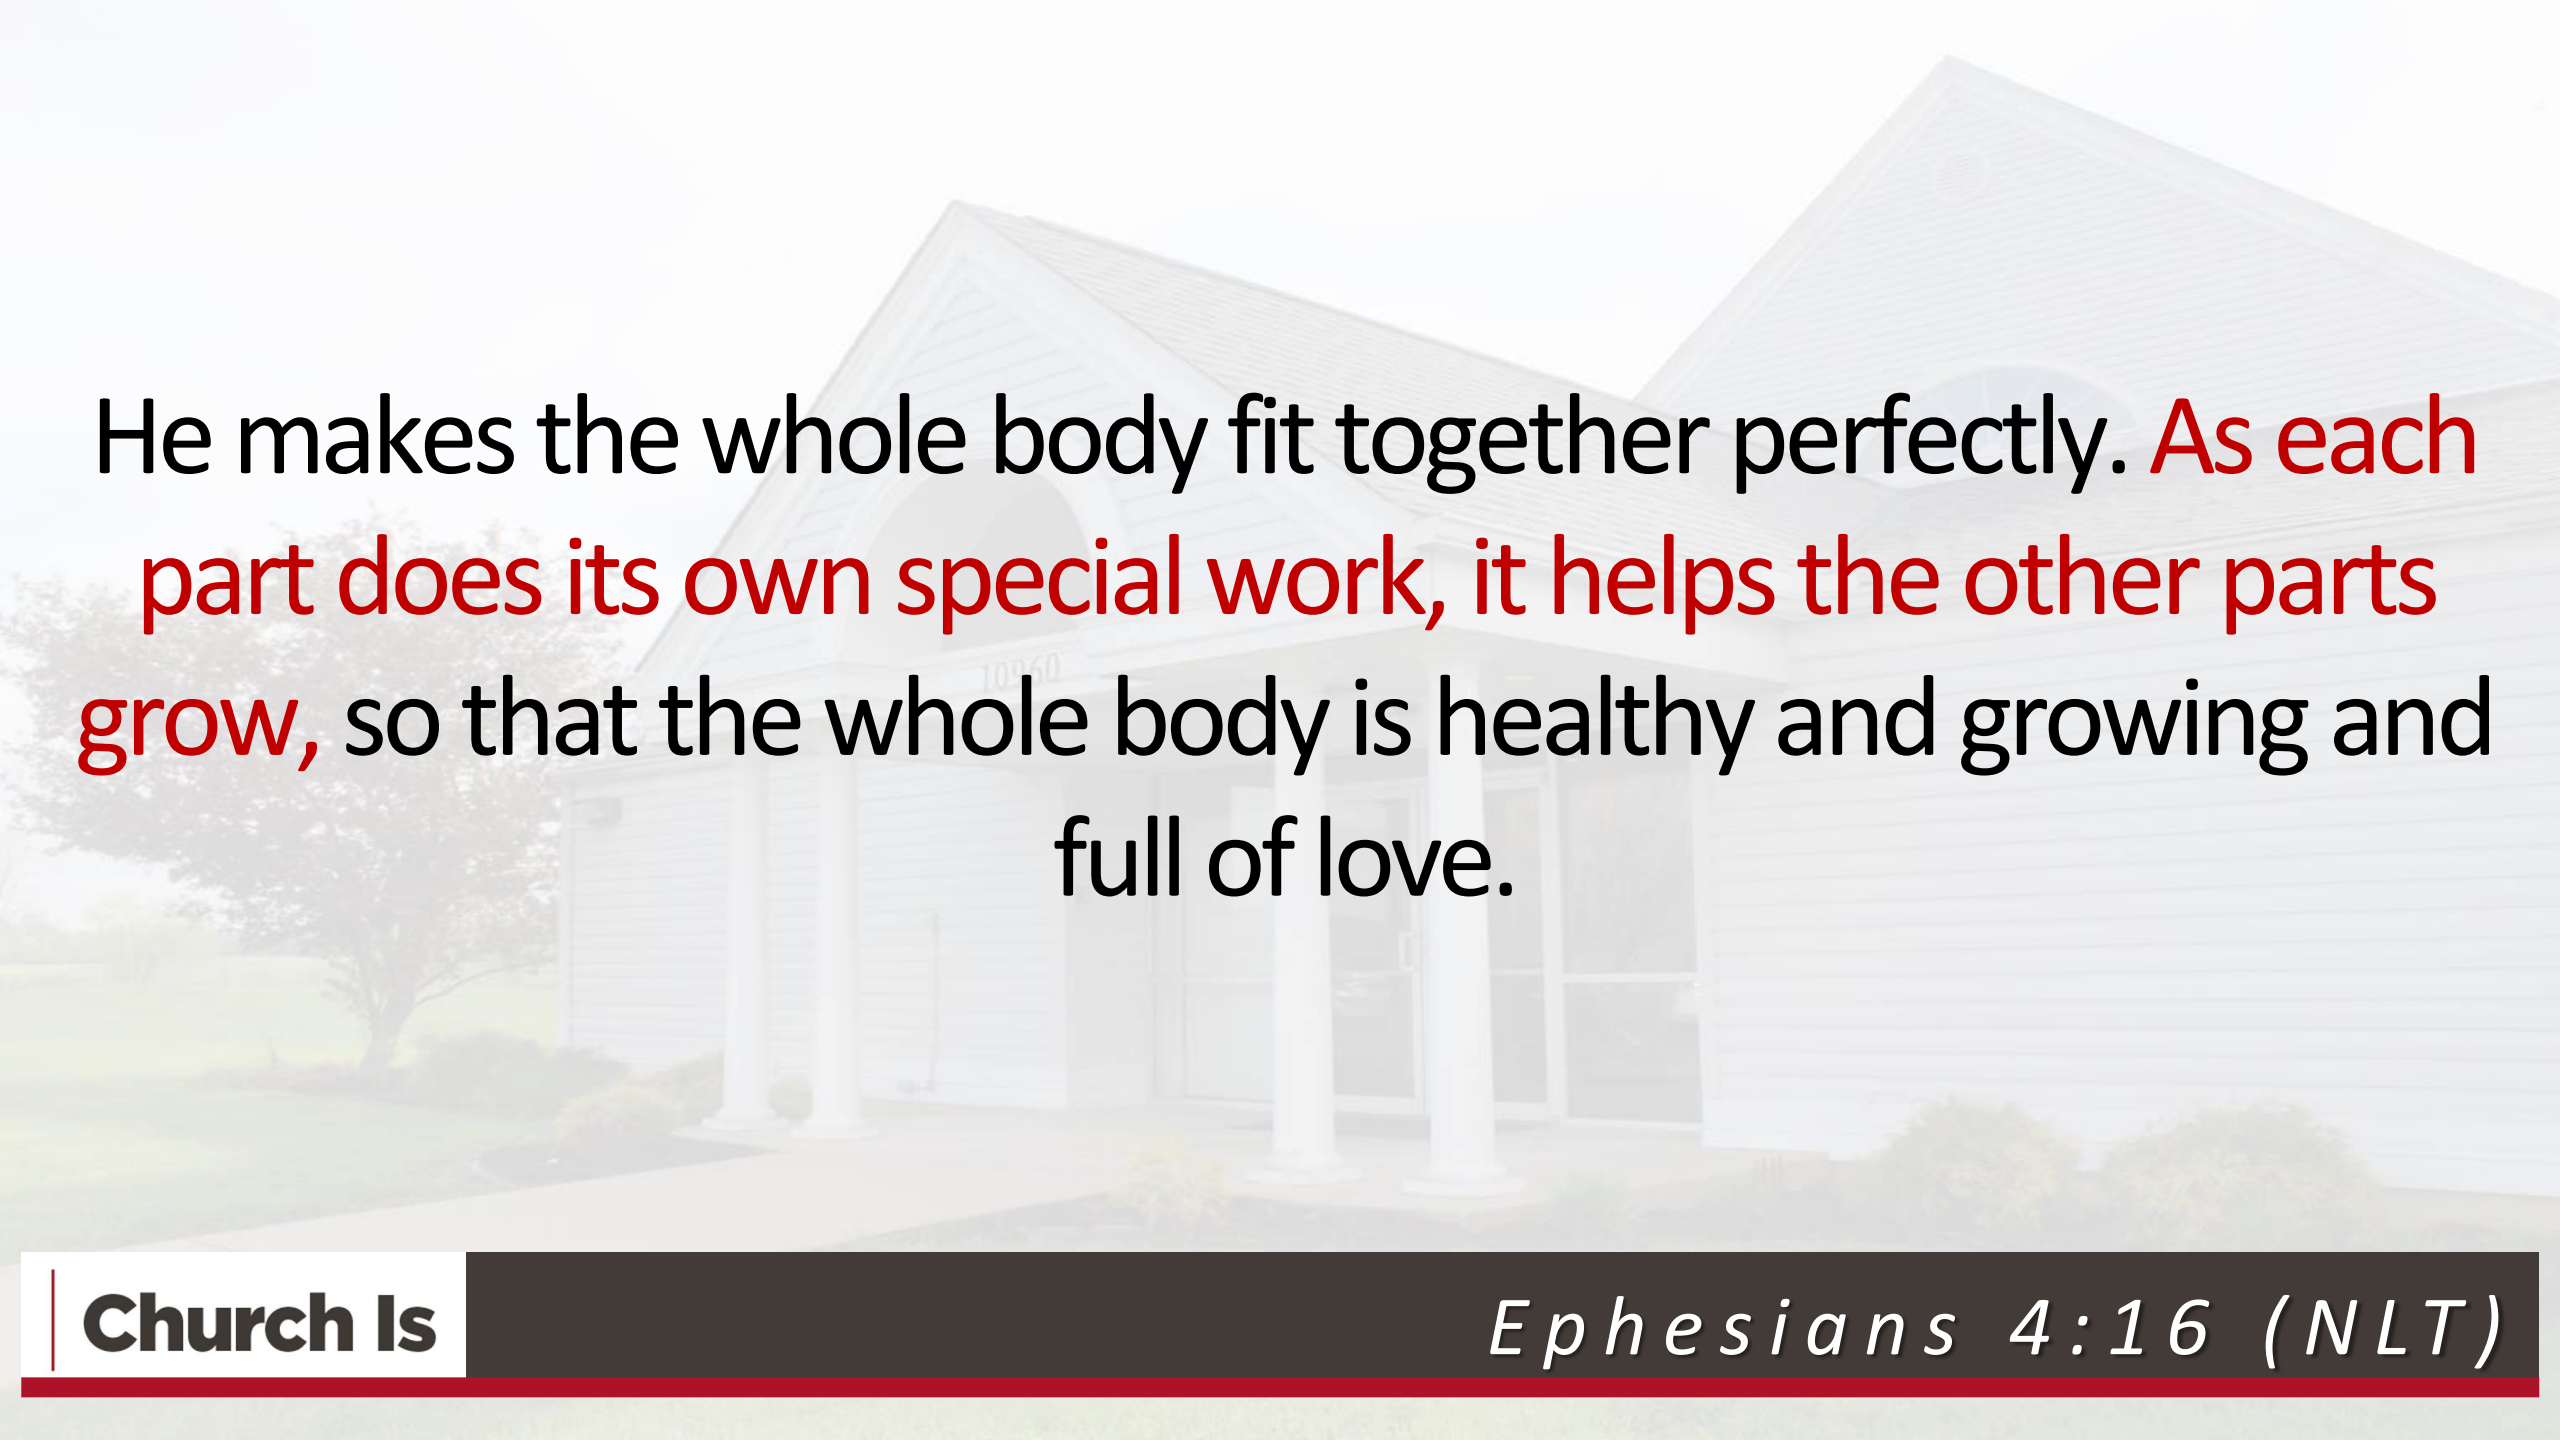

There are different kinds of spiritual gifts, but the same Spirit is the source of them all. There are different kinds of service, but we serve the same Lord. God works in different ways, but it is the same God who does the work in all of us. **A spiritual gift is given to each of us so we can help each other.**

He makes the whole body fit together perfectly. **As each part does its own special work, it helps the other parts grow,** so that the whole body is healthy and growing and full of love.

Church Is

God's plan is for you to be connected to other believers.

Don't be the missing piece.

Church Is

When you got saved you became a part of something bigger than you...the CHURCH...the body of Christ

Church Is

- The church needs you

❖ The church is the body of Christ

If one part suffers, all the parts suffer with it, and if one part is honored, all the parts are glad.

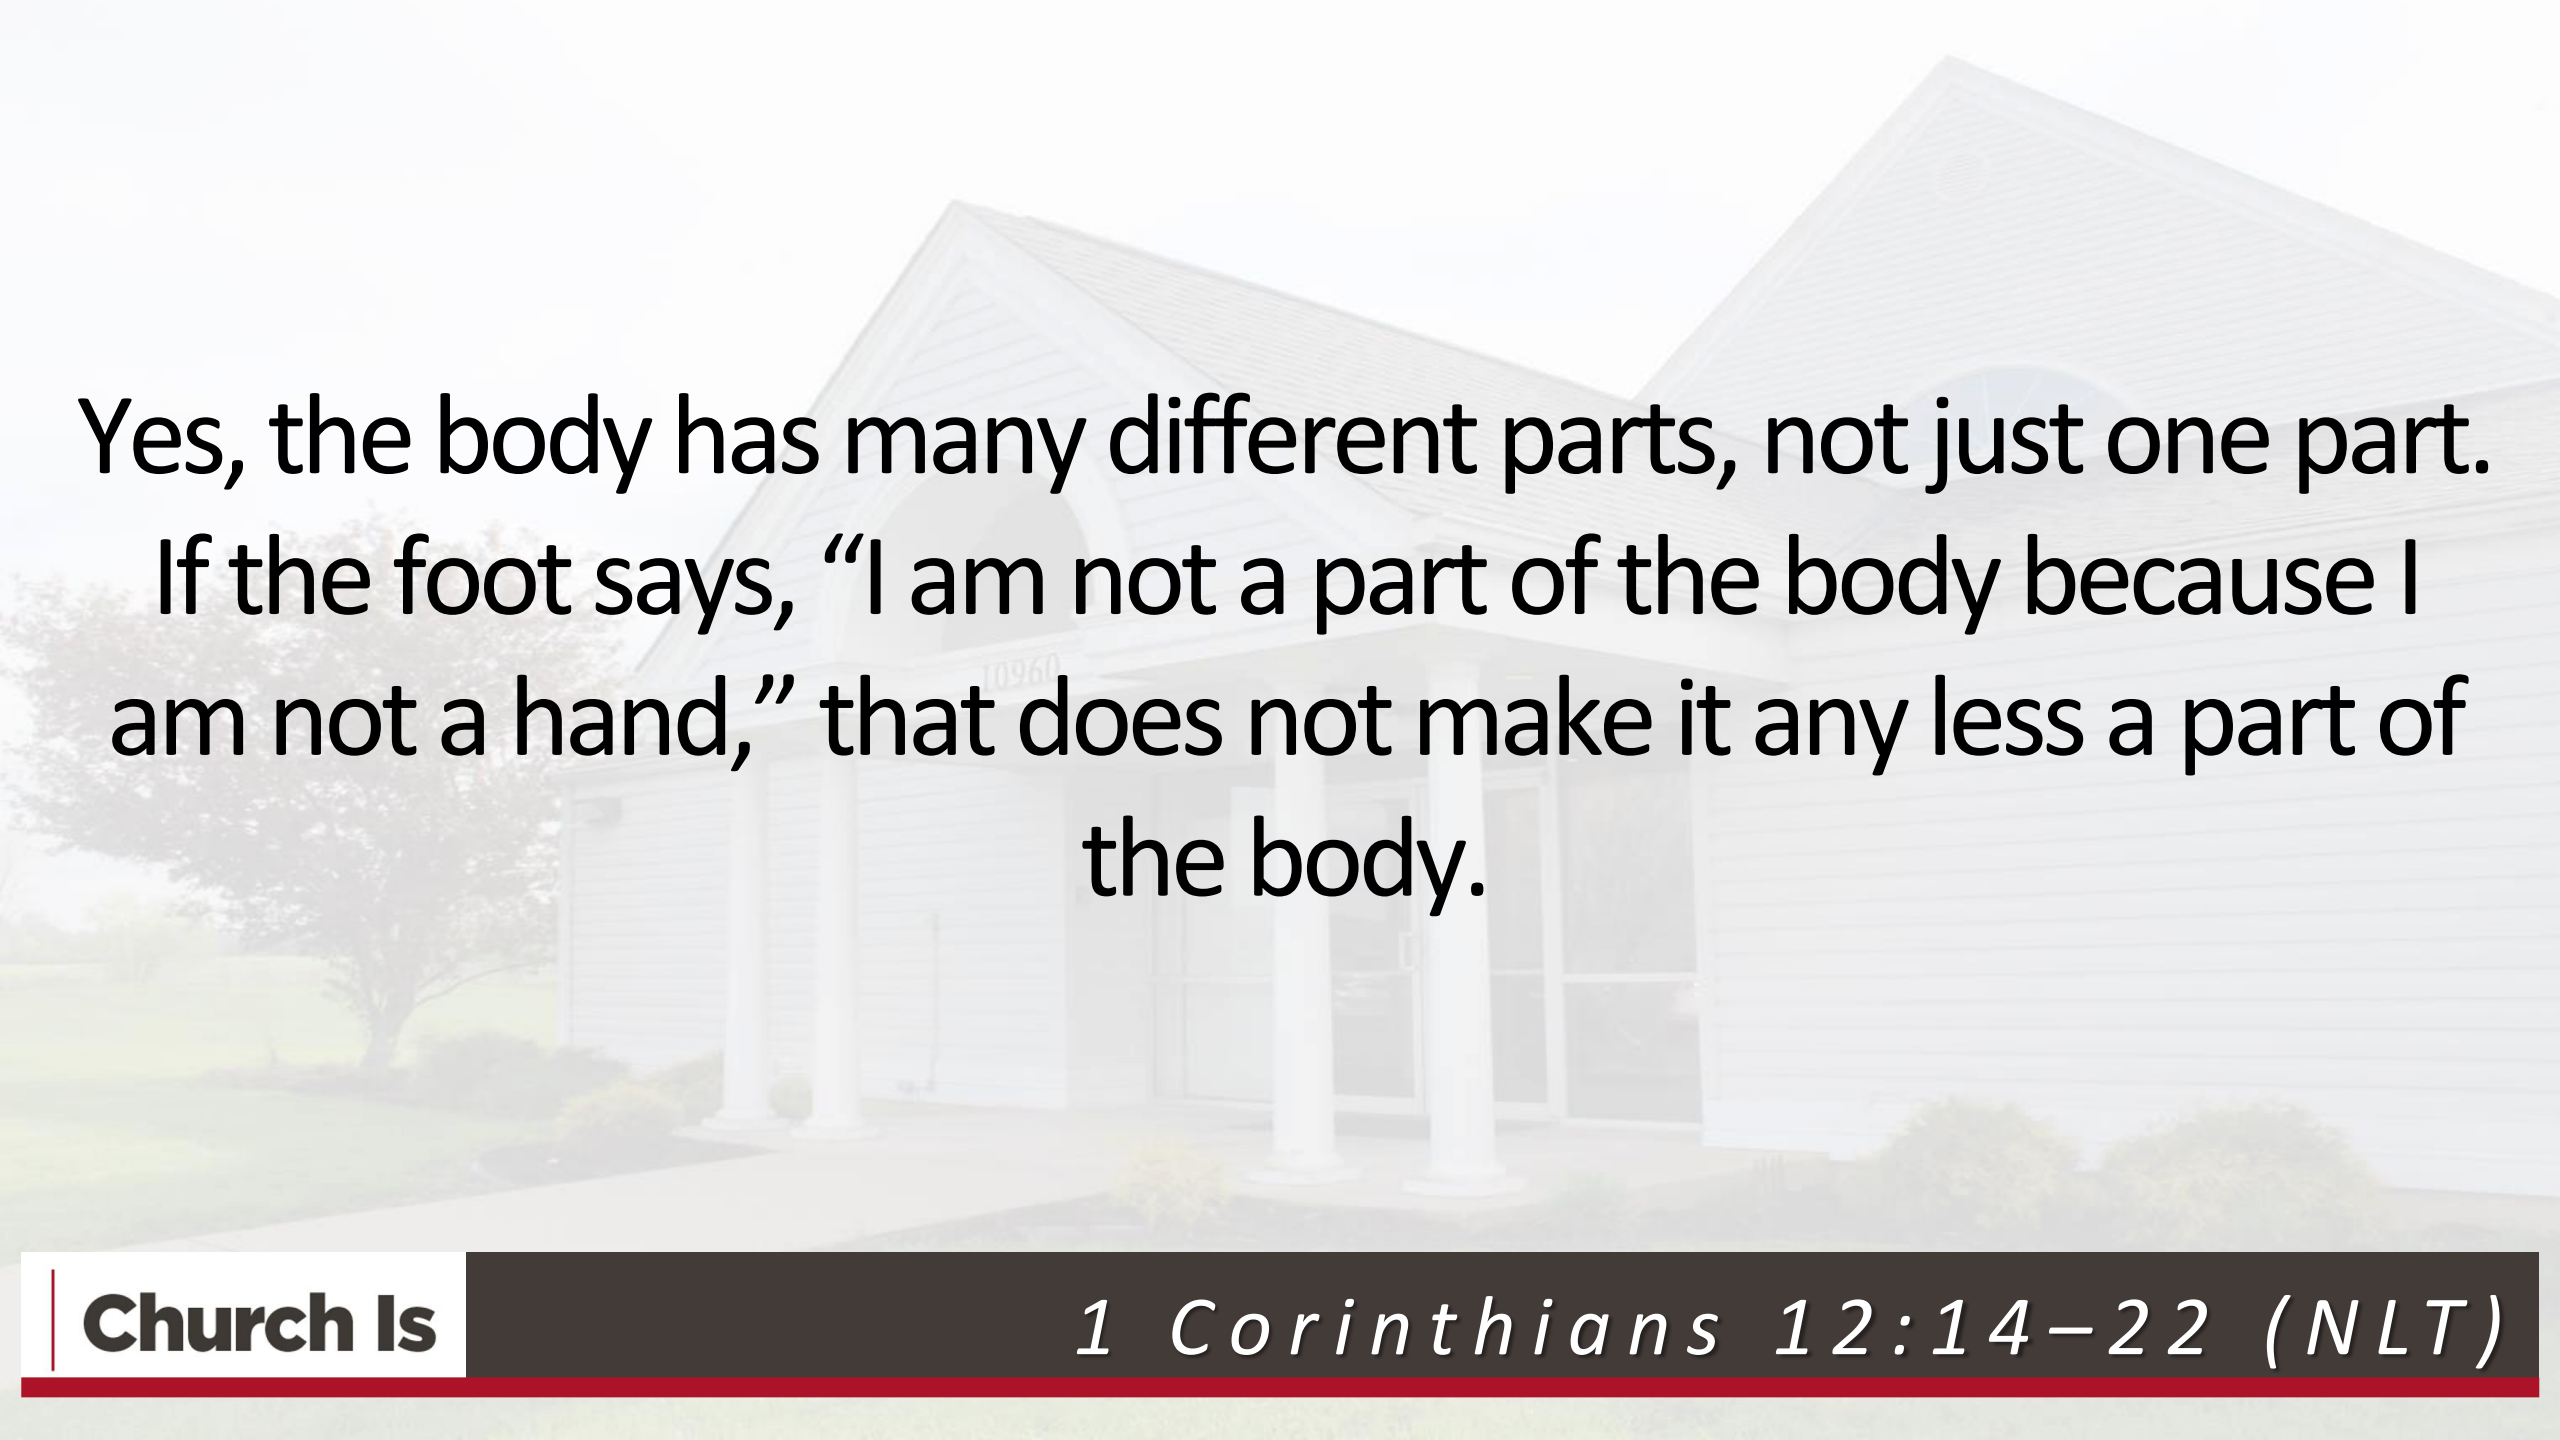

All of you together are Christ's body, and each of you is a part of it.

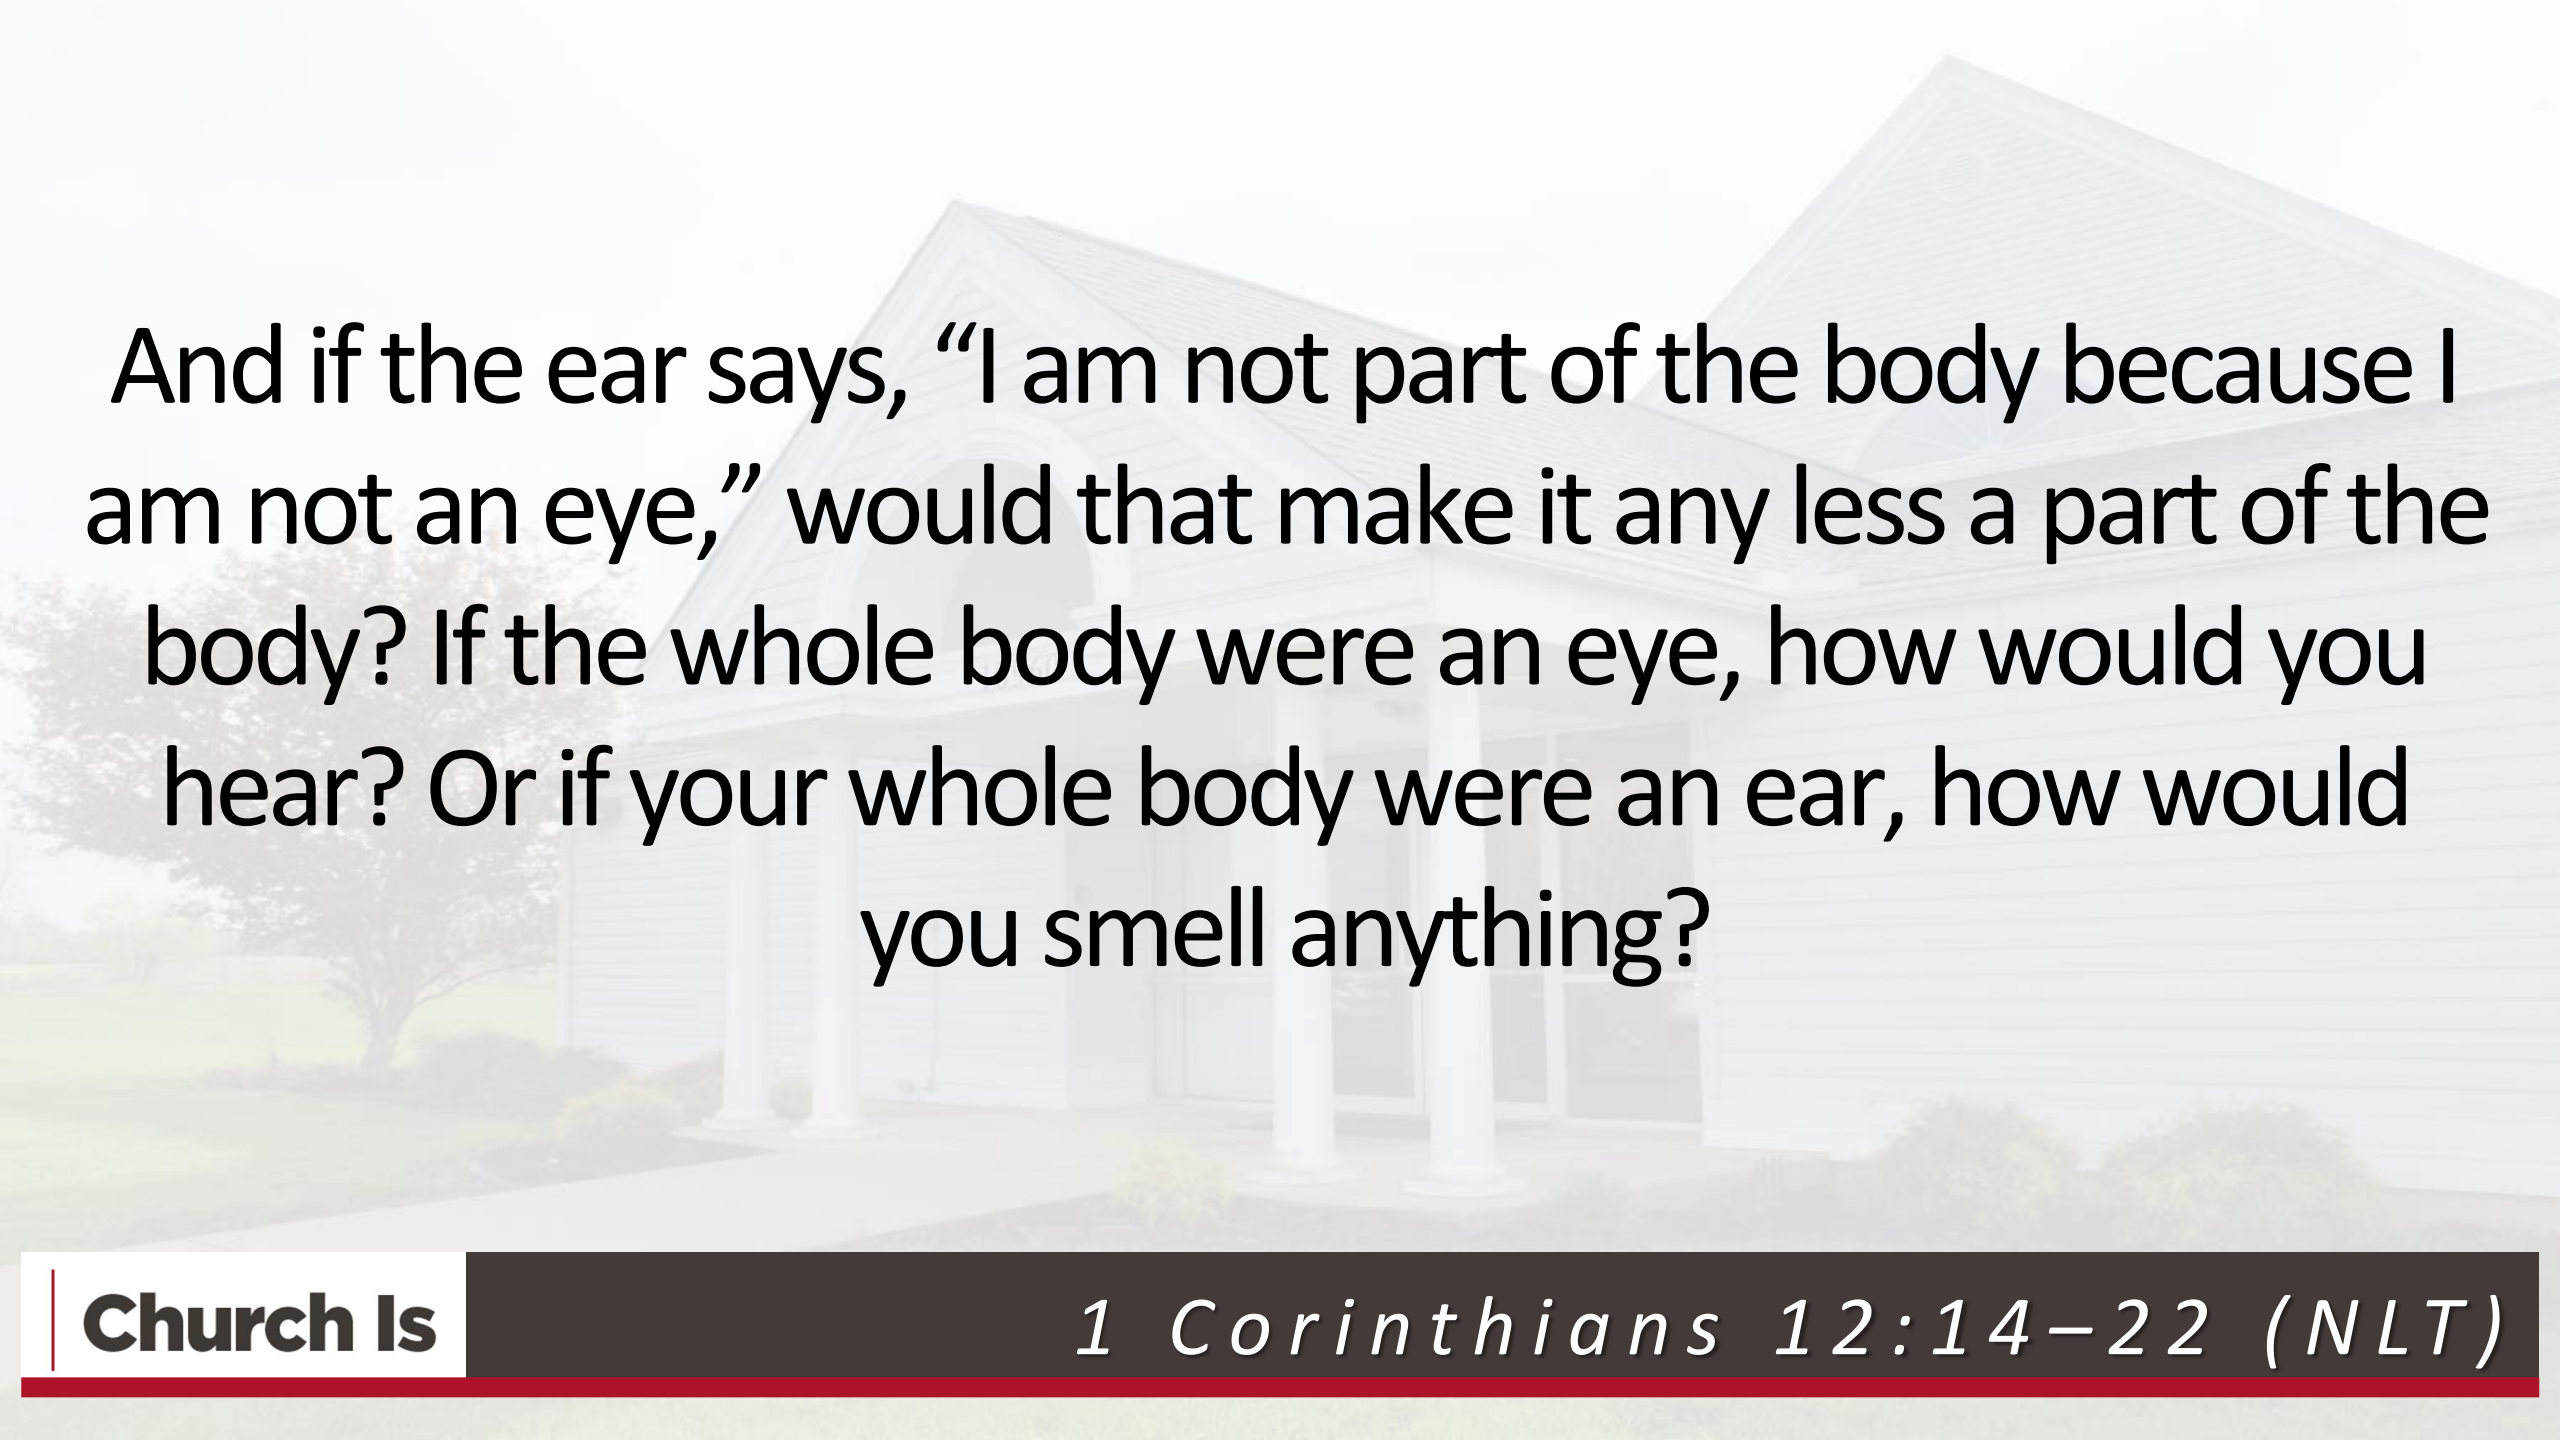

Christ is also the head of the church, which is his body...

Church Is

Colossians 1:18 (NLT)

Yes, the body has many different parts, not just one part.
If the foot says, “I am not a part of the body because I
am not a hand,” that does not make it any less a part of
the body.

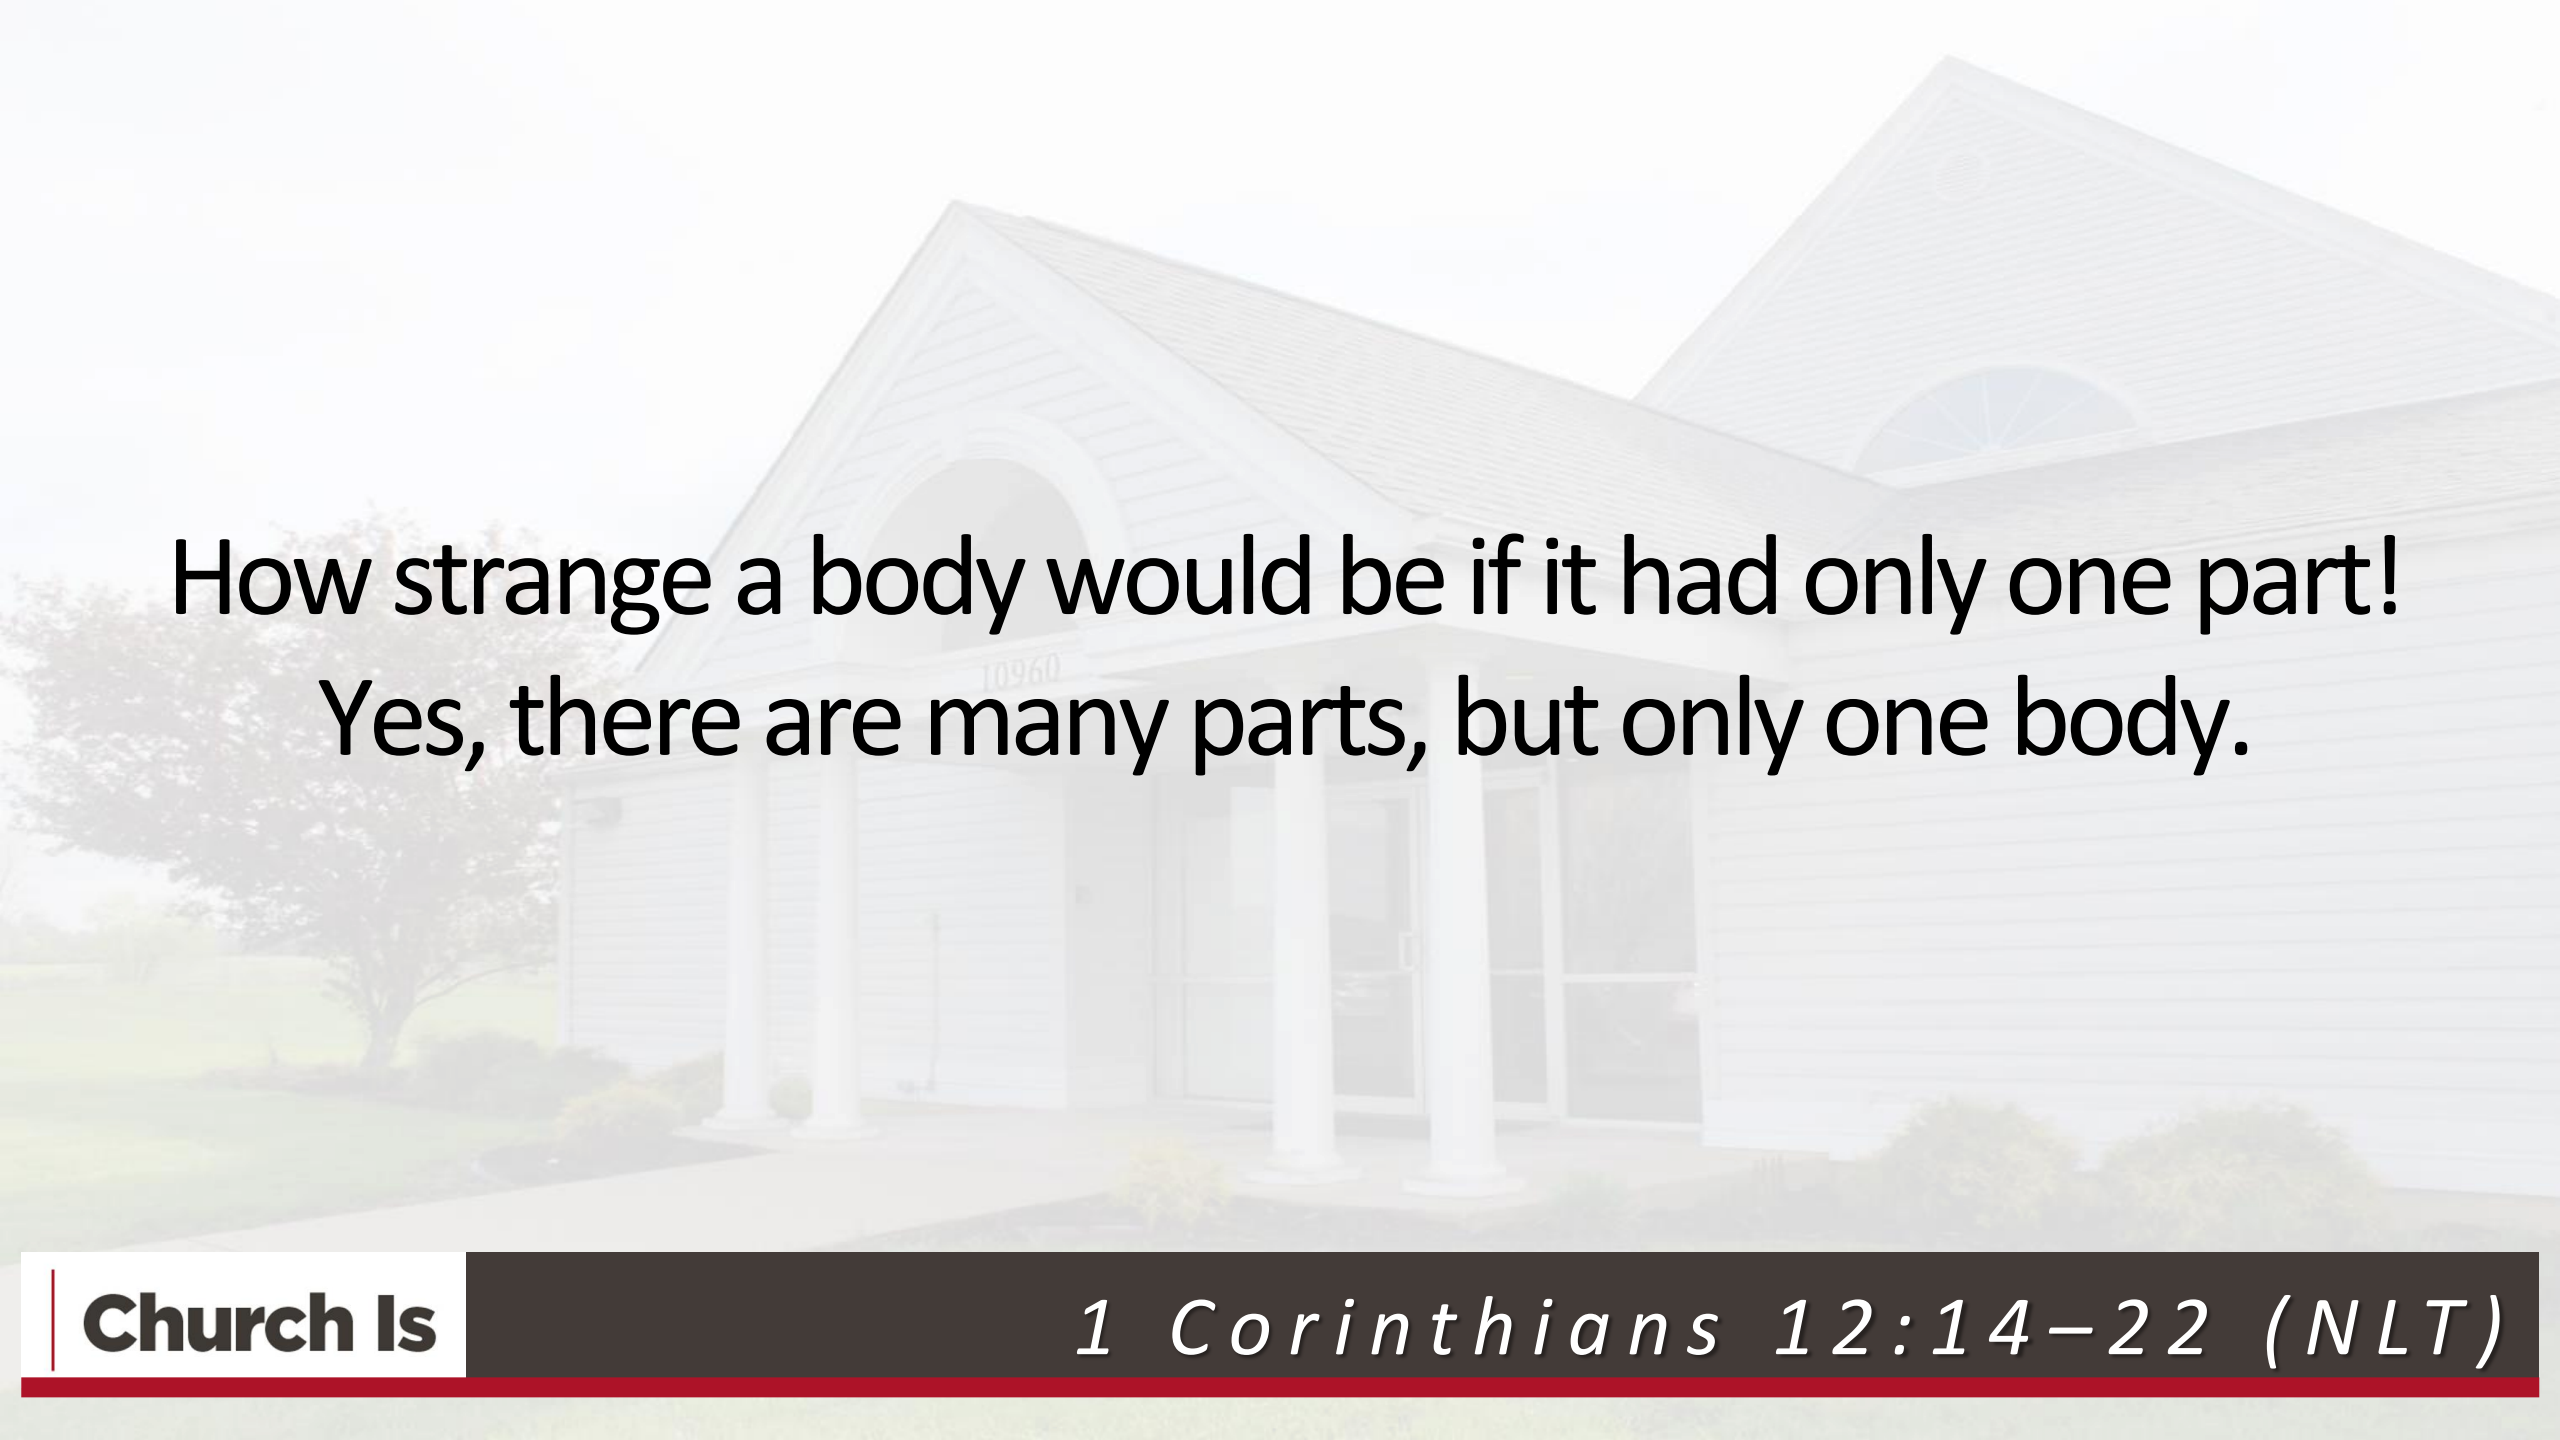

And if the ear says, “I am not part of the body because I am not an eye,” would that make it any less a part of the body? If the whole body were an eye, how would you hear? Or if your whole body were an ear, how would you smell anything?

Church Is

A believer who is not involved in a local church is a “missing body part” that hinders the local church body from functioning in the way it was intended to function.

But our bodies have many parts, and **God has put each part just where he wants it.**

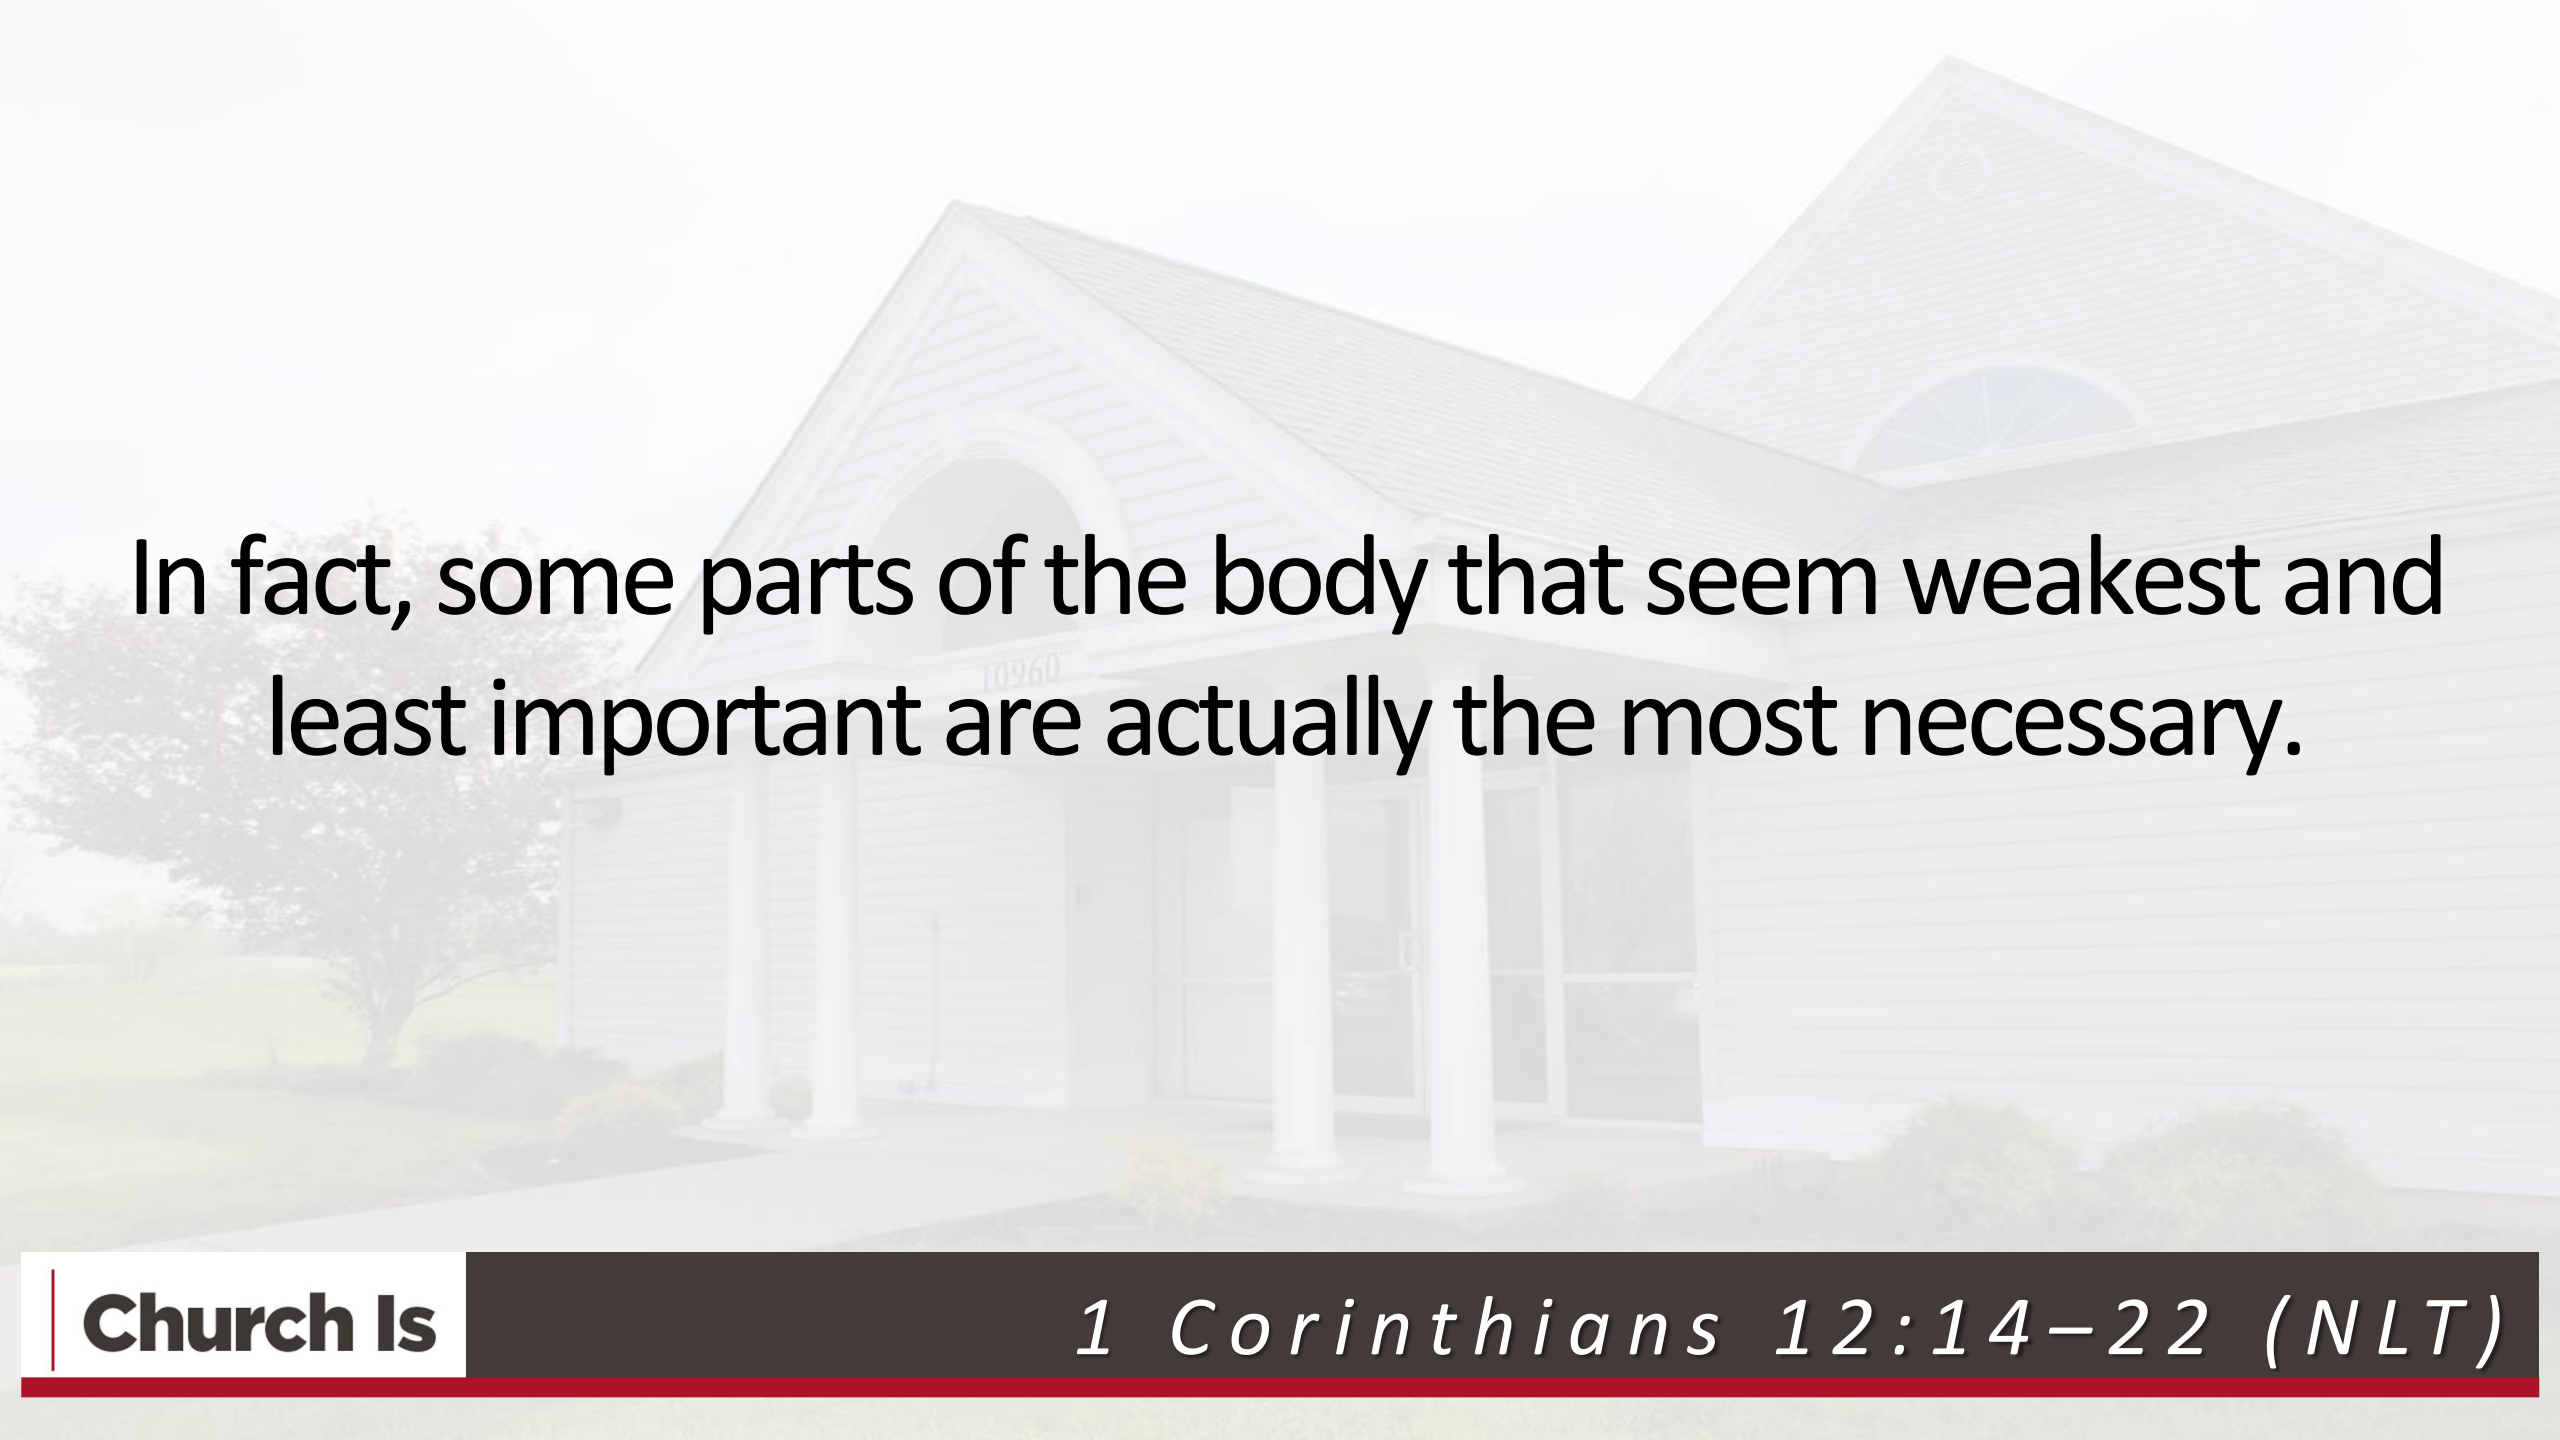

How strange a body would be if it had only one part!
Yes, there are many parts, but only one body.

The eye can never say to the hand, “I don’t need you.”
The head can’t say to the feet, “I don’t need you.”

Church Is

1 Corinthians 12:14–22 (NLT)

In fact, some parts of the body that seem weakest and least important are actually the most necessary.

Church Is

- The church needs you
- You are a part of the body of Christ

❖ You may feel insignificant, but together we become something powerful

And I tell you that you are Peter, and on this rock **I will
build my church, and the gates of Hades will not
overcome it.**

Church Is

- The church needs you
- You are a part of the body of Christ
- You may feel insignificant, but together we become something powerful

❖ You need to be a functioning member in your church

Having gifts that differ according to the grace given to us,
let us use them: if prophecy, in proportion to our faith;

Church Is

- The church needs you
- You are a part of the body of Christ
- You may feel insignificant, but together we become something powerful
- You need to be a functioning member in your church

Mission Statement: "To know Jesus and make Him known while living, loving and serving like Him"

I am a church member:

I will strive to grow in my relationship with Jesus, obey the Great Commission Jesus gave in the gospels to share His love with the world, and live in a way that brings glory to God.

Church Is

I will see my church as a place to invest in others

I am a church member:

I understand that the church is a family to belong to. I will be purposeful about building relationships, supporting my church family and praying for my church leadership so each member can also grow in their walk with Jesus.

Church Is

I will be a source of unity in my church

I am a church member:

I understand that Jesus said the world needs to see that we are one so they will believe the message of the cross of Christ. I may have different preferences, but I am willing to focus on what we have in common instead of our differences.

Church Is

I will not expect my church to be perfect

I am a church member:

I realize that the church is made up of people who are not perfect, so the church will not be perfect. I am a work in progress and so is the person sitting next to me. God is working in all our lives to make us more like Jesus, so I will be patient and show others the grace God has shown me.
